Sub: Conducting of Skill Development Training Course on Software Tools for Product Design at SJMIT Campus - Reg.

With reference to the subject cited above, I am glad to inform that you are permitted to conduct the Skill Development Training Course on Software Tools for Product Design at SJMIT Campus from 01-09-2013, subject to the following terms and conditions.

- The contents of the course shall be up to the standards of engineering graduates and as per the proposal submitted by you.
- The Principal has all the rights to suspend the training course at any point of time if
 the feedback from the students is not satisfactory and the training organization shall
 reimburse the course fee to the students.
- The payment of the course fee will be in instalments. The 50% of the course fee will be paid after one week of the commencement of the training course and the balance amount will be paid after the successful completion of the training course.
- The SJMIT will provide all the necessary facilities at the campus for conducting the training programme.
- The training organization shall duly certify the students for having undergone the training on the courses that they have opted for.

Assuring you of full support and cooperation during the training course

(Dr. S. B. Shivakumar)
