RD Minister Ramesh Pokhriyal inaugurated a new building of National Council for Teacher Education on July 26, 2019, where he informed about the projects of the government concerning the environmental needs. He said, "as many as 10 crore students have pledged to save one litre of water every day and one crore trees will be planted." Consequently, the minister has already started the process of the project with a tweet. He tweeted today morning that Kendriya Vidyalayas (KVs) across the country have already started planting trees under One Student, One Tree, an MHRD initiative.

One student, one tree is one of several initiatives which was launched on July 20, 2019, the HRD minister is sharing results observed in various states on Thursday, August 08.

During the event, the minister had informed that India has as many as 25 crore students, 90 lakh teachers, 15 lakh schools, 40,000-degree colleges. Therefore, several hands together can improve the environment as well as the climatic condition of the country. He also acknowledged the fact that "India will remain young for the next 25 years.

In our Institute on the occasion of One Student One Plant we conducted an event "Tree Plantation" and a selfie with a plant by students on 16<sup>th</sup> Aug 2019 of one day Event in our Campus by Tree Saplings in the campus with the help of NSS Volunteers of NSS Unit SJMIT. We also conducted an programme regarding the above event an awareness about Environment Impact in Nature due to Deforestation.
