## Overview of the Event:

The Women's Cell of S J M Institute of Technology, Chitradurga, in association with IQAC, organized a "Breast Cancer Awareness Program" on 31st October 2025 at Sir M V Hall.

The program aimed to create awareness among students and faculty about breast cancer, emphasizing early detection, preventive measures, and the importance of regular health check-ups.

The **Chief Guest, Dr. Deepika N**, from the **Department of Community Medicine, BMCH, Chitradurga**, delivered an insightful and informative presentation on breast cancer. She highlighted the causes, symptoms, stages, and available treatments, stressing the importance of timely diagnosis and lifestyle modifications to reduce risks.

During the session, participants actively engaged by asking questions related to breast cancer awareness, prevention, and treatment. Dr. Deepika N patiently addressed all their queries, making the session highly interactive and educational.

The event was successfully coordinated by **Prof. Beena Sheril** and **Prof. Pavithra N**, Women's Cell Coordinators, under the guidance of **Dr. Bharath P B**, Principal, SJMIT. The program effectively enhanced awareness and encouraged participants to prioritize health and regular screenings.

## Objectives of the Event

1. To create awareness among students and staff about **breast cancer, its symptoms, causes, and preventive measures**.
2. To educate participants on the **importance of early detection** and regular health check-ups for effective treatment.
3. To promote knowledge about **self-examination techniques** and encourage proactive health monitoring among women.
4. To provide a platform for **interactive discussion** where participants could clarify their doubts with a medical expert.
5. To motivate participants to **spread awareness** within their families and communities about women's health and wellness.

### Outcome of the Event

The session successfully achieved its objectives by creating strong awareness about breast cancer and its early detection methods. The presentation by **Dr. Deepika N** provided valuable insights into prevention, diagnosis, and treatment. Participants actively interacted with the resource person, asking relevant questions and gaining a deeper understanding of women's health issues. The event inspired participants to adopt healthy practices and to spread the message of awareness among others.

### Target Audience:

The Female students and staff, with the count of 106.
