A **Free Health Check-Up Camp** was organized on 12th July 2025 at Basaveshwara Medical College & Hospital, Chitradurga by SJMIT Women's cell with the aim of promoting health awareness and providing basic health screening services to the women staffs.

Outcome of the event:

A **Free Health Check-Up Camp** was successfully organized on **12th July 2025** at Basaveshwara medical college & Hospital by SJMIT Women's Cell, aiming to promote health awareness and provide basic medical services to the community. The camp witnessed enthusiastic participation, with over 23 staffs availing free services such as blood pressure and sugar tests, ECG, general physician and gynecological consultations.

The primary objective of the camp was to promote health awareness, offer free medical check-ups, and identify individuals with potential health risks. Several individuals were identified with previously undetected conditions such as hypertension, high blood sugar, and obesity. They were given preliminary advice and referred for further medical evaluation. The event significantly increased awareness about the importance of regular health check-ups and preventive healthcare. Overall, the camp was a resounding success, fostering community well-being and highlighting the value of accessible healthcare.

A team of experienced doctors, nurses, lab technicians, and volunteers managed various sections of the camp, including general health screening, blood pressure and blood sugar testing, and personal consultations.

The health check-up camp was a grand success. It fulfilled its objectives by reaching out to providing essential medical services, and spreading health awareness. SJM Institute of Technology expresses sincere gratitude to the Doctors, healthcare team, and volunteers for their invaluable support.

Free Health Check-up Camp for Female Staff

The college provides a bus facility for staffs to attend a free health checkup. This initiative aims to promote the well-being of female staff by ensuring they have easy access to essential medical services. The bus service is arranged to transport Staffs to and from the health center, making it convenient and encouraging greater participation in the health checkup.

Key Highlights of Health Camp

- Registration Desk.
- General Health Check-up
- Blood Pressure and Blood Sugar Testing
- Eye Examination
- Dental Screening
- ECG and Gynecological consultation
- Medicine Distribution
- Volunteer Group Photo

Camp Highlights with Photo

All SJMIT Women Staff members registering for the camp at the entrance with the help of volunteers.

A lab technician performing a blood sugar test using a glucometer. Reviewing blood pressure reading.

Doctors conducting general health check-up for attendees.

All the staff members took part in the health checkup arranged by the Women Cell. Following the examinations, they consulted with the doctors to discuss their health conditions. Those who needed further medical attention were advised on suitable treatments, and necessary medications were given to them by the doctors. This initiative ensured that the staff received proper care and guidance for maintaining their well-being.

Group photos of the organizing team, medical staff, and volunteers at the end of the event.

On behalf of the Women's Cell, we extend our heartfelt thanks to Dr. Rajesh for his invaluable support and effort in organizing the medical camp.

Subject: Completion of Free Health Check-Up Camp for Female Staff.

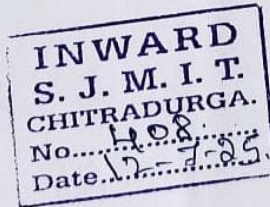

Dear Sir,

With reference to the above subject, we are glad to inform you that a free health check-up camp was successfully conducted for the female staff of your esteemed institution at Basaveshwara Medical College and Hospital on **12th July 2025**.

A total of **23 female staff members** from your institution underwent the health check-up. The camp included general health screening, blood pressure check, blood sugar test, hemoglobin test, ECG and gynecological consultation.

We appreciate your initiative aimed at promoting health awareness and preventive care among working women.

Thanking you,

Medical Superintendent
