

RESEARCH AND DEVELOPMENT CELL

Department of Civil Engineering

Sl No	Name of Research Scholar	Year of Registration	Title	University	Status
1	Mr. Sunil Kumar R A	2020	Experimental Investigation on Behavior of infilled wall by using Replacement of fine aggregate with foundry sand in mortar	VTU	Course Work is in Progress
2	Mr. Gurupadaswamy N M	2020	Study on Influence of Nano on the properties of concrete	VTU	Course Work is in Progress
3	Mr. Manjunatha H	2022	An experimental investigation on Temperature Monitoring and Temperature stress Analysis for Geo polymer concrete with conventional concrete	VTU	Course Work is in Progress
4	Mr. Shivakumar K	2022	A study on fresh and harden properties of pond ash Embedded high strength concrete	VTU	Course Work Is in Progress
