Organizing One Day Workshop on

“Entrepreneurship Skill, Attitude and Behaviour Development”

Date: 08/02/2024

Venue: Civil Seminar Hall

Time: 10.00 AM

Resource Person

Mr. Mallesh V. S.
Technical Team Manager & Trainer
Abeyaantrix Soft lab OPC Pvt Ltd, Bangalore

ED Cell Coordinator

Dr. Manjunatha S. C.

IIC Convener

Dr. Krishnareddy K. R.

IQAC Coordinator

Dr. Jagannath N.

**Principal &
President -IIC**

Dr. Bharath P. B.

Topic: One Day workshop on Entrepreneurship Skill, Attitude and Behaviour Development

Theme: Providing knowledge about the Entrepreneurship Skill, Attitude and Behaviour Development

Objectives of the Event:

1. To provide participants with a comprehensive understanding of what is skill, attitude and behaviour
2. To inspire attendees by showcasing successful Entrepreneurs and what are the attitude and behavior needed to succeed in it.
3. To offer practical insights into the challenges and opportunities encountered during the entrepreneurial journey and how to face it with positive attitude.
4. To encourage the students to become entrepreneurs and how to inculcate attitude and behavior development in entrepreneurship skill.

Speaker: Mr.Mallesh V. S., Technical Team Manager,Abeyaantrix Soft lab OPC Pvt Ltd,Bangalore

SpeakerProfile:

Mr. Mallesh V. S. Technical Team Manager, Abeyaantrix Soft lab,OPC Pvt Ltd,Bangalore from January 2018 till date, also working as technical consultant to corporate companies.Worked as a Corporate trainer/Technical Team Lead at Cranes Software International Ltd, Bangalore,from Nov 2011 to 2017. Worked as a Software Engineer at Jitech Info system, Bangalore from June 2010 to Nov 2011.Training delivery to various Corporates as well as in-house training delivery to students on variousplatforms such as DSP core concepts, MATLAB/SIMULINK , DSP processors, Embedded System, ImageProcessing, ARM processors, machine learning, data science, Artificial Intelligence, IOT etc. conducted workshops and FDP's at various engineering colleges, universities across India. A team player with good communication skills, quick learning ability, adaptability to change, hard working and self-motivated. Delivered DSP concepts, DSP processors , MATLAB/SIMULINK, Python and Machine Learning basedtraining programs and workshops to various engineering colleges Across India, corporate companies, which includes Siemens healthcare Bangalore, ISRO, CDOT Bangalore, Bosch India, UTC aerospace, FORD, Integrated test range(DRDO missile testing center) Chandipur, DIAT, BELSSSSS etc. Has delivered training programs for FDP's and SDP's to over 150 colleges across india, like IIT Gandhinagar, NIT Warangal, VIT University, Amrita University, etc. Exclusively trained More than 500 Senior Scientists from Various DRDO Labs Across India on MATLABAlgorithm and projects development based on MATLAB/SIMULINK, ARM Processors and IoT.

Brief Report of the Event:

Introduction:

The session on "**Entrepreneurship Skill, Attitude and Behaviour Development**" was organized by Entrepreneurship Development Cell in association with Institution's Innovation Council (IIC), and IQAC, with the aim of empowering engineering students with the essential skills and mindset required for entrepreneurial success. The event attracted a diverse audience of engineering students and faculties.

Highlights of the Session:

On 8th February 2024, the workshop commenced with a warm welcome by the by Dr. Manjunatha S C, ED Cell Coordinator SJMIT Chitradurga Followed by an inaugural address by the Dr. Bharath P B Principal SJMIT, Chitradurga. The importance of entrepreneurship skill, attitude and behavior development in the engineering field was emphasized. The workshop was conducted in two sessions Morning session from 10:00 a.m. to 12:00 p.m. and afternoon session from 1:00 p.m. to 3:00 p.m. where the students and faculty actively participated.

Guest of Honor, Mr. Mallesh V. S., Technical team Manager, Abeyaantrix Soft lab, OPC Pvt Ltd, Bangalore. Principal - Dr. Bharath P. B., Dr. Krishna Reddy, IIC Convener and Dr. Jagannath N. IQAC Coordinator, faculty and students were present in the workshop.

Later, the workshop was taken over by the eminent resource person and Chief Guest of the event, Mr. Mallesh V. S, to deliver his speech on "Entrepreneurship skill, attitude and behaviour development".

A distinguished speaker Sri Mallesh V. S, highlighting the challenges and opportunities faced during the journey from Entrepreneur, what are all the skills behavioral changes needed for it as below.

Session 1: Introduction to Entrepreneurship and Attitude Building

The resource person delivered a comprehensive overview of entrepreneurship, its significance, and the current trends in the entrepreneurial ecosystem. And also focused on fostering a positive attitude towards challenges, failures, and risk-taking. Real-life examples of successful entrepreneurs were discussed to inspire the participants.

Session 2 : Skill and Behavior development

Practical sessions were conducted to enhance key entrepreneurial skills such as creativity, problem-solving, communication, and decision-making. Workshops and interactive activities engaged participants in hands-on skill development.

Behavioral aspects of entrepreneurship, including leadership, teamwork, and adaptability, were addressed. Case studies and group discussions facilitated a deeper understanding of entrepreneurial behavior

The workshop ended with a questions and answers session with the attendees and Dr. Manjunatha S C, ED Cell coordinator concluded the program by delivering a vote of thanks. About 55 students and faculty registered and successfully attended the event.

Conclusion:

The session on "**Entrepreneurship skill, attitude and behaviour development**" was a resounding success. It offered valuable insights and practical guidance to engineering students and faculties interested in entrepreneurship skill, attitude and behavior development. Attendees left the workshop inspired, informed, and equipped with the knowledge and resources needed to transform their skills and ideas into successful entrepreneurs. Participants are encouraged to develop positive attitude, apply the knowledge gained during the workshop to start and develop innovative ideas that have the potential to contribute significantly to both the engineering industry and the broader economy. Future sessions and workshops will continue to nurture the spirit of innovation and entrepreneurship among engineering students and faculties.

The organizers extend their gratitude to all the speakers, mentors, and participants for making this workshop a meaningful and enlightening experience. S J M Institute of Technology remains committed to organizing more such workshops in the future and to providing continuous support and resources to help individuals transform their innovative ideas into successful careers.

KeyOutcome:

1. Participants gained knowledge about understanding of the skills required in becomingEntrepreneur.
2. Participants learned the importance of positive attitudeand behavior development.
3. They also understood the significance of becoming Entrepreneur.
4. The session sparked a keen interest in entrepreneurship among engineering students and faculties.

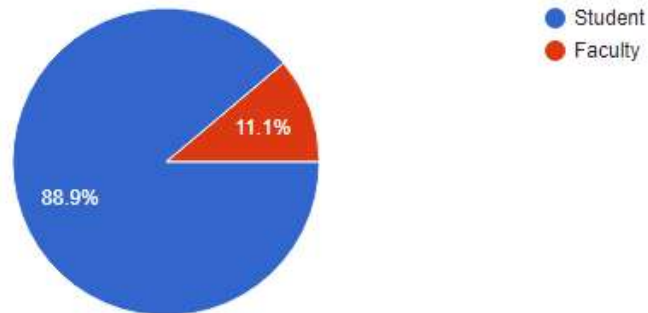

The outcomes of the workshop on "**Entrepreneurship skill, attitude and behaviour development**" to acquire essential skills, behavior, knowledge, and positive approach to become successful entrepreneur.
