### **Brief Report of the Event:**

#### **Introduction:**

The SJM Institute of Technology organized a webinar on "Intellectual Property Rights (IPR) and Entrepreneurship Development" on 28/11/2023 by IPR Cell in association with Institution's Innovation Council and Internal Quality Assurance cell to educate students, faculty, and aspiring entrepreneurs about the significance of protecting intellectual property in the field of engineering.

#### **Details of points covered in the webinar:**

The webinar commenced with welcoming Management authorities, Principal, Heads of various departments, faculties and the virtual gathering by Prof. Nagaraj T, who gives the Overview of the significance of IPR in engineering and entrepreneurship.

Dr. Bharath P B Principal stressed the need of IPR in the present days to hold our rights on our inventions and innovations in the present days which can help the innovators to shape their career as successful entrepreneur, in his speech. Prof. and Head and IQAC Coordinator, Dr. Jagannatha N highlighted the students to take up innovative methods in entrepreneurial activities.

The resource person given the details of what is IPR, why it should be protected, Indian scenario of Intellectual property system, the offices of the Controller General of Patents, Designs and Trademarks, Department of Industrial Policy and Promotion. Also emphasis has been given on the process of filing the Patent application, Copyright application, Trademark application, and the roles and responsibility of entrepreneurs.

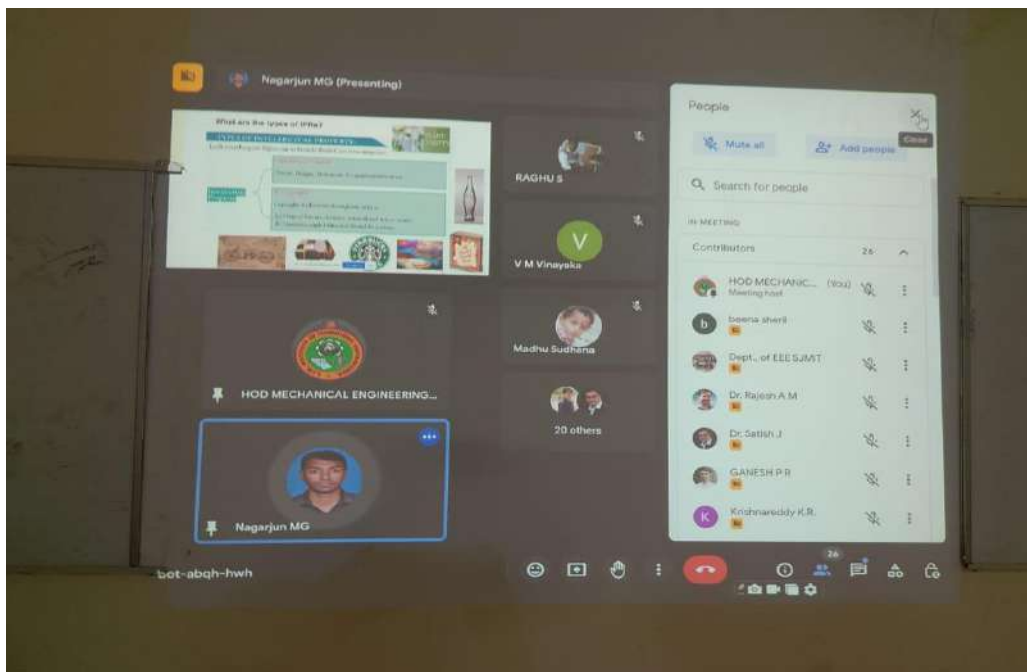

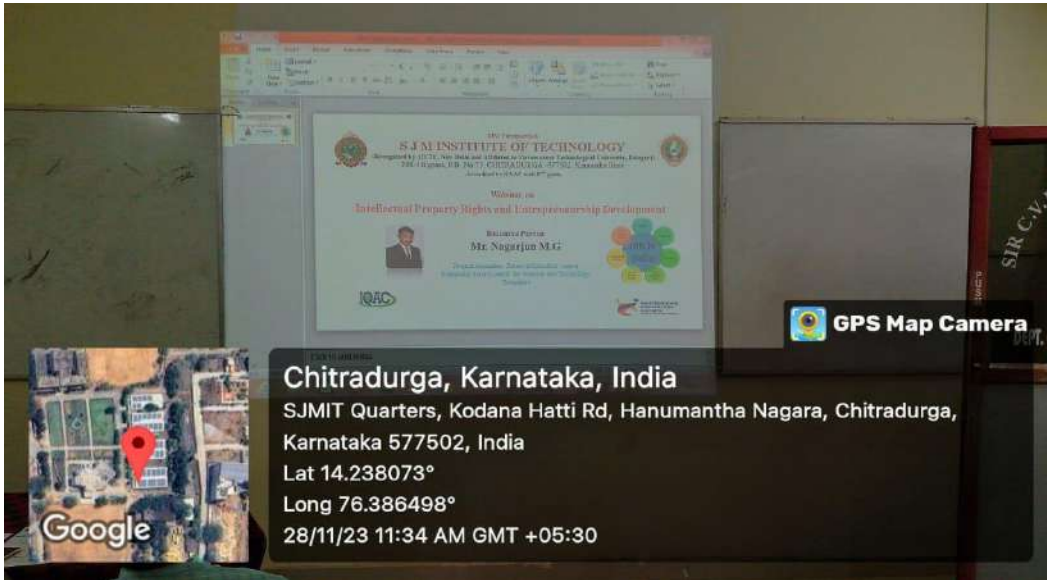

The webinar witnessed active participation from students, faculty members, and industry professionals. Participants appreciated the diverse range of topics covered and found the practical insights shared by industry experts particularly valuable. About 129 participants including faculties and students were participated in the program.

Prof. Nagaraj T made the vote of thanks to speaker Mr.Nagarajun M.G Project associate Patent information Centre, Karnataka state council for Science and Technology (KSCST) Bangalore.Honorable Principal Dr. Bharath P B, IQAC Coordinator, Prof. and Head Dr. Jagannatha N, IIC Convener Dr. Krishnareddy K R, all the Faculty members and Participants as well the technical staff of the institute.

### **Conclusion:**

The Webinar is contributing to the college's mission of fostering innovation and entrepreneurship among its students. The event served as a platform for knowledge exchange and networking, reinforcing the importance of IPR in engineering and its role in shaping the future of technology-driven ventures.
