Born & Brought up in Chitradurga, and graduated in BSc. Agriculture and after a short stint in ventured into many businesses like computer hardware, Accounting software and then to Concrete products manufacturing.

## **Brief Report of the Event:**

### **Introduction:**

An “Online Motivational Session by Successful Entrepreneur /Start- Up Founder” was organized by the department of Computer Science and Engineering in association with Start-Up Cell, Institution’s Innovation Council (IIC), and IQAC, with the primary aim of inspiring and motivating engineering students and faculties by sharing insights into the guest speaker's entrepreneurial journey. This theme emphasizes the significant role each one of us plays in to inspire individuals to make conscious changes in their lifestyles that would contribute to promote new technology/ knowledge/ innovation-based startups. The event attracted a diverse audience of engineering students and Faculties.

## **Highlights of the Session:**

On 30th August 2024, the session commenced with a warm welcome by the by Prof. Vishwas , followed by an initial address by Dr. Bharath P B Principal, SJMIT, highlighting the importance of entrepreneurship in the current landscape and setting the context for the motivational talk.

Later, the session was taken over by the eminent resource person to deliver his speech. The speaker detailed his early challenges, the inspiration behind starting his Startup , and how he navigated obstacles such as funding issues, market competition, and product development.

Key lessons emphasized during the talk included:

- The importance of resilience and adaptability in entrepreneurship.
- Strategies for effective team building and leadership.
- The significance of networking and building relationships.
- Learning from failures and turning setbacks into opportunities.

The session ended with an interactive Q&A session where participants had the opportunity to engage with the speaker and the program coordinator concluded the program by delivering a vote of thanks.

## **Conclusion:**

The "My Story" session successfully inspired engineering students, providing them with a real-world perspective on entrepreneurship. The event highlighted that with determination and the right mindset, students can overcome challenges and create successful start-ups of their own. The session was well-received by the students, who expressed appreciation for the speaker's candid sharing of personal experiences.

The organizers extend their gratitude to all the speakers, organizers, and participants for making this event a meaningful and enlightening experience. S J M Institute of Technology remains committed to organizing more such events in the future and to providing continuous support and resources to help individuals for inspiring and motivating to become an Entrepreneur.
