Duration: July 2006-Nov 2008

Employer :SRS Builders and Developers / Mfar Construction Ltd.

Job Profile: Responsible for materials testing, Quality control of concrete, and handling 200000sft of structural and finishing work.

Brief Report of the Event:

Introduction:

A Motivational talk on the occasion of “**World Entrepreneur day - 2024**”was organized by Institution’s Innovation Council (IIC), in association with IQAC, aimed to inspire engineering students to explore entrepreneurial opportunities, foster innovation, and encourage them to consider entrepreneurship as a viable career path. The event began with a warm welcome by the faculty, followed by an introduction of the guest speaker and an inaugural address by the Principal Dr. Bharath P B. The speaker's extensive background in entrepreneurship set the tone for an insightful session. The event attracted a diverse audience of engineering students and Faculties.

Highlights of the Session:

The speaker delivered an inspiring and insightful motivational talk on “World Entrepreneur Day -2024”, reflecting on their journey as a successful entrepreneur. The session was designed to celebrate the spirit of entrepreneurship, offer practical advice, and inspire students to pursue their own entrepreneurial dreams. The speaker shared their personal journey from initial idea to successful enterprise. They highlighted the challenges faced, including financial constraints and skepticism, and how each obstacle provided an opportunity for growth and learning. The speaker emphasized the significance of entrepreneurship in today’s world, highlighting its role in economic growth, job creation, and technological advancement. He stressed the value of innovation and problem-solving as key drivers for successful ventures.

The speaker talk underscored the significance of surrounding oneself with a strong network of mentors, advisors, and supporters and shared their own experiences of how valuable guidance and encouragement have been in their journey.

An interactive Q&A session allowed students to engage directly with the speaker, asking questions about startup funding, balancing academics and entrepreneurship, and tips on turning ideas into viable businesses. The session concluded with a call to action for students to think big, be bold, and take the first step toward their entrepreneurial dreams.

Conclusion:

The session was highly engaging, and the speaker responded to questions and interacting with students throughout the talk. Participants left feeling motivated and empowered to take bold steps in their own entrepreneurial endeavors. The motivational talk provided valuable insights and inspiration, helping to energize and equip students with the mindset and tools needed to pursue their entrepreneurial goals. The event was well-received, contributing to a successful World Entrepreneur Day celebration.
