IIC & IQAC

Organizing a Technical Talk on

"INNOVATION PROJECT EXHIBITION-2024"

Judge & Chief Guest

Dr. Bharath P B

Principal & President-IIC

S J M Institute of Technology, Chitradurga

Project Coordinator
Prof. Farzana parveen B A

IQAC Coordinator
Dr. Jagannatha N

HOD
Dr. Siddesh K B

Principal
Dr. Bharath P B

Faculty Coordinators
Prof. Pradeep Kumara V H

IIC convener
Dr. Kirshnsreddy K R

Venue: E&CE Seminar Hall

Time: 10:00 A.M

Date: 29.04.2024

Topic: “ INNOVATION PROJECT EXHIBITION-2024. ”

Theme: The theme of the Innovation Project Exhibition-2024 event is focused on showcasing cutting-edge innovations and advancements in various fields such as technology, science, sustainability, and more. It aims to highlight the creativity and ingenuity of individuals and organizations in driving positive change and progress through innovative projects.

Objectives of the Event:

1. Provide a platform for students to demonstrate their innovative projects and creative solutions to real-world problems.
2. Help students develop essential professional skills such as project management, communication, and presentation.
3. Inspire students to engage in research activities and explore new areas of interest.

These objectives aim to make the event a platform for celebrating innovation and fostering a culture of creativity and progress.

Chief Guest Talks on innovation project exhibition-2024:

A chief guest at an innovation projects exhibition would likely discuss the importance of innovation in driving progress, the impact of innovative projects on society and the economy, and the significance of supporting and promoting creativity and ingenuity. They may also highlight the role of such exhibitions in showcasing groundbreaking ideas and fostering collaboration among innovators.

Overview :

The INNOVATION PROJECT EXHIBITION-2024 is a showcase of innovative projects and solutions across various fields. The event aims to promote creativity, ingenuity, and collaboration among innovators, industry professionals, and attendees. It provides a platform for individuals and organizations to highlight groundbreaking ideas and inventions that have the potential to drive positive change. The exhibition also serves to inspire and motivate the next generation of innovators by showcasing the latest trends and advancements in technology, science, and other fields. Overall, the INNOVATION PROJECT EXHIBITION-2024 is a celebration of innovation and a catalyst for fostering a culture of creativity and progress.

Key Points Covered :

The key points about the Innovation Project Exhibition 2024 include:

1. Showcase of Innovative Projects: The exhibition will feature a diverse range of innovative projects and solutions from various industries and sectors.
2. Networking Opportunities: Attendees will have the chance to network with industry professionals, innovators, and like-minded individuals to exchange ideas and foster collaboration.
3. Cutting-Edge Technology: The exhibition will highlight the latest advancements in technology, science, and other fields, providing insights into the future of innovation.
4. Inspiring Presentations: Keynote speakers and experts will deliver inspiring presentations on the importance of innovation and its impact on society and the economy.

5. Interactive Workshops: Participants can engage in interactive workshops and hands-on activities to learn more about the innovative projects on display.

6. Recognition of Excellence: Outstanding projects and innovators may be recognized and awarded for their contributions to the field of innovation.

7. Future Opportunities: The exhibition may serve as a platform for potential partnerships, investments, and collaborations to further develop and implement innovative ideas.

Overall, the Innovation Project Exhibition 2024 promises to be a dynamic and engaging event that celebrates creativity, ingenuity, and the power of innovation to drive positive change.

Highlights of the Session:

On 29th April 2024, the session commenced with a warm welcome by Prof. Pradeep kumara V H, Assistant Professor of E&CE Dept and All faculty member, IIC, followed by an inaugural address by the IQAC Dr. Siddesh K B. The importance of Innovation Ideas in the engineering field. The event lasted from 10.00 a.m. to 1:00 p.m., where students and faculty actively participated.

Guest of Honour, Dr. Bharath P B Principal And President- IIC cell, SJMIT Chitradurga, Dr. Siddesh K B, Prof.& Head, Department of Electronics & Communication Engineering, Dr. Krishnareddy K R, IIC Convener & Dr. Jagannatha N, IQAC Coordinator and Prof. Farzana parveen B A, Prof. Pradeep Kumara V H, Programme Coordinator, were present in the session.

Conclusion:

As we draw the curtains on the Innovation Project Exhibition 2024, we reflect on the remarkable journey of creativity, ingenuity, and collaboration that has brought us here. This year's exhibition has been a testament to the boundless potential of human innovation and the power of collective effort.

Highlights and Achievements

Diverse Range of Projects: The exhibition showcased a wide array of projects across various fields including technology, healthcare, sustainability, and education. Each project demonstrated unique approaches to solving real-world problems, highlighting the versatility and creativity of the participants.

Cutting-Edge Technologies: Participants integrated advanced technologies such as artificial intelligence, blockchain, and renewable energy solutions into their projects. These innovations not only showcased current trends but also set the stage for future advancements.

Collaborative Efforts: The event facilitated collaborations between students, professionals, and industry experts. This exchange of ideas and expertise has fostered an environment of learning and mutual growth.

Community Engagement: The exhibition attracted a diverse audience, including stakeholders from various sectors, educational institutions, and the general public. This engagement has helped bridge the gap between innovators and the communities they aim to serve.

 Pradeep Kumar V.H.

Key outcomes:

1. Students gain hands-on experience in applying theoretical knowledge to real-world problems, enhancing their practical skills.
2. Presenting projects at the expo enhances communication, teamwork, and project management skills.
3. Successful expos enhance the college's reputation for fostering innovation and practical learning.

Feedback:

1.How would you rate your overall experience at the event?

33 responses

2.How would you rate the organization of the event?

33 responses

3.Were the event's objectives clearly communicated?

33 responses

4.How much did you learn from the event?

33 responses
