**I.** **Please give feedback in Yes or No**

1. **Are the subjects in the curriculum relevant with reference to the industry?**
   - ✓ Yes ○ No
2. **Is industrial visit beneficial?**
   - ✓ Yes ○ No
3. **Are technical events like Quiz, design of project model etc beneficial?**
   - ✓ Yes ○ No

**II.** **Please give your feedback on student performance and curriculum.**

- Please use the following criteria for giving feedback:5- Excellent, 4- Very Good, 3- Good, 2- Satisfactory, 1- Average. Please tick (√) the response.

| Sr. No. | Details | Excellent | Very Good | Good | Satisfactory | Average |
|---|---|---|---|---|---|---|
| 1 | Planning and Organizational skills | ✓ | | | | |
| 2 | Participation in social activities | ✓ | | | | |
| 3 | Creative in response to workshop challenges | | ✓ | | | |
| 4 | Level of industrial training done during the degree / course | | | ✓ | | |
| 5 | Willingness to take responsibility | ✓ | | | | |

Any other suggestions / comments

It is better if you organize inhouse training & workshops for the betterment of students.

# Action Taken Report on Feedback

**Action Taken Report on feedback received from the various stakeholders of the institution during the academic year 2022-23.**

**Stake holders of the Institution:**

1. Students
2. Teachers
3. Employers
4. Alumni

We highly value the feedback provided by all the stakeholders as it plays a crucial role in improving the overall quality of education and campus experience. The purpose of this report is to outline the actions taken in response to the feedback received from the stakeholders during academic year 2022-23.

Coordinator
Internal Quality Assurance Cell (IQAC)
SJMIT Chitradurga

**PRINCIPAL**
**S.J.M.I.T., CHITRADURGA**

## Action taken on Student Feedback:

### Key Findings:

The feedback received from students covered various aspects, including but not limited to:

1. Concerns regarding Adequacy of classroom and furniture
2. Concerns regarding the maintenance of hostel facilities
3. Concerns regarding Drinking water, Canteen, Toilet, Bank ATM facilities in the campus

### Actions Taken:

1. **Concerns Regarding Adequacy of Classroom and Furniture:**
   - Conducted a thorough assessment of classroom capacities and furniture conditions
   - Initiated immediate repairs and replacements for damaged furniture
   - Reorganized classroom layouts to optimize space utilization

2. **Concerns Regarding the Maintenance of Hostel Facilities:**
   - Hostel wardens address the general maintenance issues promptly
   - Initiated repairs for plumbing, electrical, and structural issues
   - Enhanced security measures and improved lighting in common areas

3. **Concerns Regarding Drinking Water, Canteen, Toilet, Bank ATM Facilities in the Campus:**
   - Renovated and upgraded existing toilet facilities
   - Improved canteen services based on student feedback
   - Increased the number of water dispensers across campus
   - Coordinated with local banks to address ATM maintenance and service issues

### Conclusion:

We value the input provided by our students and are committed to ensuring a conducive and comfortable learning environment. The actions taken reflect our dedication to addressing concerns promptly and enhancing overall campus facilities

# Action taken report on Teachers Feedback:

## Key Findings:

1. Industrial visit needed for students
2. Promote and encourage research activities among faculty members to enhance academic excellence
3. Upgrading of student amenities and infrastructure

## Actions Taken:

1. Industrial visit needed for students

   - All the departments heads are informed
     - To schedule regular industrial visits for students
     - To establish the partnerships with local industries for organizing industrial visits.

2. **Promote and encourage research activities among faculty members to enhance academic excellence**

   - Organized workshops, seminars and conferences to enhance faculty research skills and keep them updated on the latest trends in their respective fields.
   - Provide access to online databases, academic journals, and research tools to facilitate comprehensive literature reviews.
   - Encourage faculty to publish their research findings in high-impact journals.
   - Provided dedicated research support centers equipped with necessary resources.
   - Encourage faculty to attend national and international conferences.

3. **Upgrading of Student Amenities and Infrastructure**

   - Upgrading technology in classrooms, providing better internet connectivity, and integrating digital resources for students
   - Implementing safety features and measures to ensure the well-being of students. Initiated renovation and upgrade projects for common areas, recreational facilities, and study spaces
   - Enhanced campus security measures and lighting for student safety

   **Ongoing Initiatives:**

   - Continuously monitoring and evaluating the effectiveness of upgraded amenities and infrastructure by the Civil engineering department.

## Conclusion:

We value the feedback provided by our faculty members and are committed to addressing their concerns and promoting academic excellence. The actions taken and ongoing initiatives reflect our dedication to enhancing the teaching and learning environment for both students and faculty.

# Action Taken Report on Employer Feedback

**Key Findings:**

1. Level of Industrial Training to be improved
2. Better to Organize In-House Training and Workshops for the Betterment of Students

**Actions Taken:**

### 1. Level of Industrial Training to be improved

- Increasing MOU's with industries to identify key skills and competencies required by employers
- Ensuring that the training program reflects the current needs and expectations of the industry.
- Emphasize hands-on training and practical application of theoretical concepts
- Focusing on soft skills development, such as communication, teamwork, and problem-solving.

### 2. Better to Organize In-House Training and Workshops for the Betterment of Students

- Instituted an in-house training and workshop calendar covering various disciplines
- Organized regular workshops led by industry experts and professionals

*Ongoing Initiatives:*

- Encouraging student participation in hackathons, competitions, and industry-related events

**Conclusion:**

We highly value the feedback provided by employers, and their input is instrumental in preparing our students for successful careers. The actions taken and ongoing initiatives reflect our commitment to providing industry-relevant training and enhancing the overall employability of our students.

# Action Taken Report on Alumni Feedback

**Key Findings:**

1. Add more application level interaction sessions and fnore campus drives

**Actions Taken:**

1. **Add more application level interaction sessions and more campus drives**

   - Conducted workshops, seminars, and webinars focused on practical applications of academic concepts.

   - Increasing Collaborations with industries to organize additional application-level interaction sessions

   - Inviting alumni for guest lectures and mentorship programs

   - Increased the frequency of campus drives by inviting a diverse range of companies.

   *Ongoing Initiatives:*

   - Expanding the network of recruiters for campus placements

**Conclusion:**

We appreciate the feedback provided by our alumni, and their insights are crucial in shaping the future of our institution. The actions taken and ongoing initiatives reflect our commitment to providing relevant, industry-focused education and fostering meaningful interactions between students and professionals.
