Financial Support to Faculty

This Policy promotes a culture of continuous learning and professional development among the faculty members ensuring that they stay updated in their fields of expertise. It gives clear guidelines for accessing financial support for external training, making the process transparent and accountable.

This policy establishes guidelines for providing financial support to faculty members of SJM Institute of Technology. The objective is to encourage and facilitate research, professional development and academic activities that contribute to the growth and excellence of our institution.

Types of Financial support

Financial support to faculty members may include the following categories

1. Research Grants

Faculty members are eligible to apply for research grants to support their scholarly activities including research projects, publications and conference presentations.

2. Conference and Workshop Support

Financial assistance will be provided to faculty members for attend and present at conferences, workshops and seminars. This may cover registration fees, travel, accommodation and related expenses.

3. Professional Development

Funding will be available for faculty members to pursue professional development opportunities such as certifications, workshops and training programs that enhance their skills and knowledge.

4. Teaching and Curriculum development

It Support for faculty members engaged in innovative teaching methods, curriculum development and pedagogical research.

Application and Approval Process

It include the following steps

1. Application Submission

Faculty members are required to submit applications for financial support as per the guidelines provided by the Research committee. The applications should include a clear description of the purpose, budget and expected outcomes.

2. Review and Evaluation

Applications will be reviewed and evaluated by a designated committee based on the relevance, impact and alignment with the goals of institution.

3. Approval

Once an application is approved, the faculty member will receive notification outlining the amount and conditions of the financial support.

This policy may be subject to periodic review and updates as needed to ensure its effectiveness and alignment with the objectives of institution.

By implementing this financial support to faculty policy, we aim to foster a culture of continuous learning, innovation and excellence among our faculty members contributes to academic and research success.
