- **Introduction**

On [Insert Date], the Research and Development (R&D) Cell in association with the Internal Quality Assurance Cell (IQAC) at SJM Institute of Technology (SJMIT), Chitradurga, organized a Faculty Development Program (FDP) on “Research Funds and Projects.” The program was held under the esteemed guidance of Dr. Suresh H. Jangamshetti, Vice Chancellor of Haveri University, Karnataka, India. This program aimed to provide valuable insights into securing research funds and managing research projects effectively, thereby enhancing the research capabilities of the teaching faculty at SJMIT.

- **Inauguration and Welcome Address**

The FDP commenced with an inauguration ceremony presided over by Dr. Bharath P B, Principal of SJMIT, Chitradurga. Dr. Bharath P B delivered the welcome address, emphasizing the importance of research in academic institutions and the role of faculty development programs in fostering a research-oriented environment. He highlighted the collaborative efforts of the R&D Cell and the IQAC Cell in organizing such events and expressed his gratitude to Dr. Suresh H. Jangamshetti for his participation as the resource person.

- **Objective of the Program**

The primary objective of the FDP was to equip the teaching faculty with the knowledge and skills required to identify potential research funding opportunities, write effective research proposals, and manage research projects efficiently. The program aimed to:

- Provide an overview of various national and international funding agencies.
- Discuss the key components of a successful research proposal.
- Highlight the importance of interdisciplinary research and collaboration.
- Share best practices in project management and fund utilization.
- Encourage faculty members to actively participate in research activities.

- **Keynote Address by Dr. Suresh H. Jangamshetti**

Dr. Suresh H. Jangamshetti, a distinguished academician and researcher, delivered the keynote address. He began by sharing his own experiences in securing research funds and managing large-scale projects. Dr. Jangamshetti emphasized the significance of research in contributing to societal development and the growth of academic institutions. He provided a comprehensive overview of various funding agencies, including government bodies, private organizations, and international institutions.

- **Key Components of a Research Proposal**

Dr.Jangamshetti detailed the essential components of a research proposal, including:

- **Title and Abstract:** Crafting a clear and concise title and abstract that captures the essence of the research.
- **Introduction:** Defining the research problem, objectives, and significance.
- **Literature Review:** Reviewing existing research to identify gaps and justify the proposed study.
- **Methodology:** Describing the research design, methods, and tools to be used.
- **Budget and Timeline:** Providing a detailed budget and realistic timeline for the project.
- **Expected Outcomes:** Highlighting the anticipated results and potential impact of the research.

- **Funding Agencies and Opportunities**

Dr.Jangamshetti discussed various national funding agencies such as the Department of Science and Technology (DST), University Grants Commission (UGC), and Indian Council of Medical Research (ICMR). He also highlighted international funding opportunities from organizations like the United Nations (UN), World Health Organization (WHO), and European Union (EU). He encouraged faculty members to explore interdisciplinary research and collaborate with researchers from other institutions to increase the chances of securing funding.

- **Best Practices in Project Management**

Effective project management is crucial for the successful execution of research projects. Dr.Jangamshetti shared best practices in project management, including:

- **Planning and Scheduling:** Developing a detailed project plan with clear milestones and deadlines.
- **Resource Allocation:** Ensuring optimal use of resources, including human, financial, and material resources.
- **Monitoring and Evaluation:** Regularly monitoring progress and evaluating outcomes to ensure the project stays on track.
- **Risk Management:** Identifying potential risks and developing mitigation strategies.
- **Reporting and Documentation:** Maintaining thorough documentation and providing regular reports to funding agencies.

- **Interactive Session and Q&A**

The FDP included an interactive session where faculty members had the opportunity to ask questions and seek clarifications from Dr.Jangamshetti. The discussion covered a wide range of topics, from specific funding opportunities to the challenges faced in proposal writing and project management. Dr.Jangamshetti provided practical advice and encouraged faculty members to leverage their strengths and collaborate with peers to enhance their research capabilities.

- **Conclusion**

The Faculty Development Program on “Research Funds and Projects” the renowned guest and resource person was introduced by Prof.Anusha, Dept of Civil Engg,SJMIT and concluded with a vote of thanks delivered by Prof. Sushmitha Deb, EEE, SJMIT, and the program coordinator Prof. Chetan S, ECE, SJMIT, Chitradurga. Dr.Jagannatha N, IQAC Coordinator, and Dr.Siddesh K B, Head of the R&D Cell at SJMIT, also expressed their gratitude to Dr. Suresh H. Jangamshetti for his insightful presentation and valuable guidance. They thanked the faculty members for their active participation and emphasized the importance of continuing professional development to achieve academic excellence.

- **Attendance Report**

The attendance report of the program, detailing the participation of teaching faculty from all departments of SJMIT, will be attached as an annexure to this report.

The FDP proved to be an enlightening and enriching experience for all attendees, fostering a deeper understanding of research funding and project management, and inspiring faculty members to actively pursue research initiatives.
