DATE: 04/07/24

TIME: 10:00AM

VENUE: EEE SEMINAR HALL

Resource Person

Dr. Satyanarayana Rao RD

Associate Professor

Department of Electrical and Electronics Engineering

Adichunchanagiri Institute of Technology

Chikkamagalur -577102.

Dr. Bharath P B

Principal, SJMIT

Dr. Niranjana E
ISTE Coordinator

Dr. Kumaraswamy B G
Professor & Head

Dr. Jagannatha N
IQAC Coordinator

Topic: Advancements in Electrical Engineering by Artificial Intelligence & Machine Learning Concepts

Objectives of the Event:

1. To Explore latest development in Artificial Intelligence & Machine Learning in electrical engineering.
2. To discuss the potential of Artificial Intelligence & Machine Learning in transforming Electrical engineering practices.
3. To address the challenges and limitation in Artificial Intelligence & Machine Learning in Electrical engineering

Speaker: Dr. Satyanarayana Rao R D Associate Professor Department of Electrical and Electronics Engineering Adichunchanagiri Institute of Technology Chikkamagalur -577102.

Speaker Profile:

Experience Summary:

- Total of 24.2 Years Teaching & 2 years Industrial experience.
- Undergone one year Apprentice Training at K.E.B, Blore from 15th Feb-97 to 14th Feb 98
- Worked as Site -Engineer at ISRO Quarters, HMT Site, Jalahalli, Bangalore from Mar-98 to Apr-99 under Class I Electrical Contractor
- Worked as Lecturer in Electrical & Electronics Dept.at Sri Jagadguru Murugarajendra Institute of Technology (SJMIT) Chitradurga from 20th Dec1999 to 30th Oct-2004
- Worked as a Trainee Engineer in J.K Industries (Vikrant Tyres), Mysore from 01-08-2003 to 30-06-2004.
- Worked as Guest Lecturer in Electrical & Electronics Dept. G.S.S.S. Institute of Technology & Engineering for Women's, KRS Road, Mysore from Feb 2003 to may 2003
- Working as a Assistant prof & Asso.Prof in Electrical & Electronics Dept at Adichunchanagiri Institute of Technology, Chikmagalur since 03-11-2004

Research Interests : Power systems, Power Electronics & Industrial drives, Electric vehicles, Advanced microcontrollers, Programmable Logic controllers, Renewable & Non-renewable energy resources etc.,

Brief report of the event:

The Department of Electrical & Electronics Engineering, SJM Institute of Technology has organized one day technical seminar on “: Advancements in Electrical Engineering by Artificial Intelligence & Machine Learning Concepts” in association with ISTE Student chapter and IQAC. This session provided information on Advancements in Electrical Engineering by Artificial Intelligence & Machine Learning.

Conclusion:

One day technical seminar has been completed successfully by Electrical & Electronics Engg. Department under the guidance of Principal Dr. P B Bharath, Head of the Department Dr. B G Kumaraswamy in collaboration with ISTE student Chapter and IQAC, SJMIT. The event has attracted a great response from the students. About 70 students along with staff members attended the event.

Sl.No	CONTENTS
1	Technical Talk on E-Survey CADD software
2	Details of the report a) Brief report b) Objectives
3	Photo Gallery a) Total Station b) E-Survey CADD
4	Conclusion

OBJECTIVES:

- To learn the basic concepts of surveying & total station work.
- To create longitudinal sections & cross sections using E – Survey CADD software.
- To prepare earth work calculations using E – Survey CADD software.
- To prepare contour maps with grid elevation using E – Survey CADD software.
- To design the horizontal & vertical curves.

BRIEF REPORT:

Department of Civil Engineering, SJMIT in association with IQAC, IIC, Chitradurga organized **“Five days training Program on E – Survey CADD Software and total station”**

On 26th June to 1st July 2024. Sri. Chandan H A **Technical Support Engineer at E - Surveying Softech (India) Pvt. Ltd.** delivered lecture regarding E – Survey CADD Software.

The on 26th event started at 10.00 AM with the warm welcoming the resource person Sri. Chandan H A. followed by inaugural address by Dr. P.B.Bharath Principal SJMIT Chitradurga. The speaker delivered his knowledge very effectively with practical examples insight of E - Survey CADD and their application in the field of civil engineering. The event lasted 10.00 AM to 01:00 PM. Students are actively participated in this event.

In the above program resource person Sri. Chandan H A, Dr. P.B.Bharath, Principal SJMIT Chitradurga, Dr.Srishaila.J.M Professor & HOD, Prof. Subramanya P G and Prof. Pruthvi Rani K M Coordinators for this event and all the faculty of Civil Engineering and student of pre final year are attended the program.

PHOTO GALLERY OF TOTAL STATION:

PHOTO GALLERY OF E-Survey CADD:

CONCLUSION:

The session on “E- Survey CADD software” was a resounding success. It offered valuable insights and practical guidance about the E- Survey Software for the engineering students and faculties. Attendees left the event inspired, informed, and equipped with the knowledge and resources needed to transform their innovative ideas into successful civil engineers. As a takeaway, participants are encouraged to apply the knowledge gained during the session.

The organizers extend their gratitude at all the speakers and participants for making this event a meaningful and enlightening experience.

S J M Institute of Technology remains committed to organizing more such events in the future and to providing continuous support.

DEPARTMENT OF CIVIL ENGINEERING

Schedule of training program on E-Survey CADD Software and Total station.

Date	Day	Time	Event
26/06/2024	Wednesday	10:00AM to 05:00PM	Training on total station
27/06/2024	Thursday	10:00AM to 05:00PM	Training on total station
28/06/2024	Friday	10:00AM to 10:10AM	Inauguration of the program.
		10:10AM to 10:20AM	Welcome speech.
		10:20AM to 10:35AM	Address by Principal.
		10:35AM to 10:45AM	Address by HOD.
		11:00AM	Session is handover to Resource person.
		11:00AM to 11:30AM	Introduction to E-Survey software.
		11:30AM to 11:45AM	Company profile.
		11:45AM to 01:00AM	Training on E-Survey program.
		02:30PM to 05:00PM	Training on E-Survey program.
29/06/2024	Saturday	10:00AM to 01:00PM	Training on E-Survey program.
		02:30PM to 05:00PM	Hands on session.
01/07/2024	Monday	10:00AM to 01:00PM	Training on E-Survey program.
		02:30PM to 05:00PM	Hands on session.

Five days training program on E-Survey CADD software and Total station From June 26th to July 1st 2024

Quiz

The quiz is conducted at the end of the program to assess student's understanding and knowledge gained from the training program. These questions cover various aspects of E-Survey CADD Software and total station, including techniques, benefits, and concepts.

Participant Information:

Student Name: Yudhuvanandan K
USN: USM22CV417
Branch: Civil Engineering
Date: 2/7/24
Max. Marks: 10

Instructions:

- Duration: 10 minutes, each question carries 1 mark
- Minimum 50% score is required to get completion certificate
- Please tick the correct answer

1) Unit of Capacity of Contours is

- a) Square Meter
- b) Meters
- c) Cubic Meter
- d) Unit Less

2) Select the INCORRECT Statement from following on Contours

- a) Contour map shows the topography of area
- b) Contour map used for Spatial Analysis, Urban Planning
- c) An Imaginary line with same RL (Reduced Level) or Elevation
- d) Irregular Contours indicate Even Surface

3) In Roads, Camber is provided for

- a) Nautical charts for navigation
- b) To prevent Capillary Rise
- c) To lower the water table by Draining off water
- d) To remove rain water from Road surface

4) Interpolation using Triangulation (TIN) Method for

- a) Generating the Interpolated values at Intersections (LS and CS Intersection Point)
- b) Due to less data or less levels
- c) Either 'a' or 'b'
- d) Neither 'a' nor 'b'

5) In Old Tank Project, Bund Design Level or Formation Level Should be

- a) Below the Existing Bund
- b) Above the Existing Bund
- c) Same as the Existing Bund
- d) None of the above

6) PMGSY Project was inaugurated in,

- a) 2000
- b) 2002
- c) 2014
- d) 2003

7) Which of the following doesn't describe the use of hydrographic surveying?

- a) Nautical charts for navigation
- b) Establishing mean sea level
- c) Laying an Alignment
- d) Making underground investigations

8) Select the CORRECT Statement from following on Waste Weir

- a) Reservoirs are not used Waste Weir
- b) To Remove the surplus water
- c) Both are Correct
- d) None of the above

9) When total station is sighted to the target, which of the operation acts first?

- a) Rotation of optical axis
- b) Rotation of vertical axis
- c) Rotation of horizontal axis
- d) Rotation of line of collimation

10) In total station, data is stored in _____

- a) Pen drive
- b) Data card
- c) Microprocessor
- d) External hardware

Thank you for completing Quiz. Your responses will help us gauge your understanding and make any necessary adjustments to the training program.

- c) Both are Correct
- d) None of the above

9) When total station is sighted to the target, which of the operation acts first?

- a) Rotation of optical axis
- b) Rotation of vertical axis
- c) Rotation of horizontal axis
- d) Rotation of line of collimation

10) In total station, data is stored in _____

- a) Pen drive
- b) Data card
- c) Microprocessor
- d) External hardware

Thank you for completing Quiz. Your responses will help us gauge your understanding and make any necessary adjustments to the training program.

**Five days training program on E-Survey CADD
software and Total station
From June 26th to July 1st 2024****Quiz**

The quiz is conducted at the end of the program to assess student's understanding and knowledge gained from the training program. These questions cover various aspects of E-Survey CADD Software and total station, including techniques, benefits, and concepts.

Participant Information:

Student Name: Lakshmi Kanth Naik
USN: ASM22CV408
Branch: Civil
Date: 2/07/2024
Max. Marks: 10

Instructions:

- Duration: 10 minutes, each question carries 1 mark
- Minimum 50% score is required to get completion certificate
- Please tick the correct answer

1) Unit of Capacity of Contours is

- a) Square Meter
- b) Meters
- c) Cubic Meter
- d) Unit Less

2) Select the INCORRECT Statement from following on Contours

- a) Contour map shows the topography of area
- b) Contour map used for Spatial Analysis, Urban Planning
- c) An Imaginary line with same RL (Reduced Level) or Elevation
- d) Irregular Contours indicate Even Surface

3) In Roads, Camber is provided for

- a) Nautical charts for navigation
- b) To prevent Capillary Rise
- c) To lower the water table by Draining off water
- d) To remove rain water from Road surface

4) Interpolation using Triangulation (TIN) Method for

- a) Generating the Interpolated values at Intersections (LS and CS Intersection Point)
- b) Due to less data or less levels
- c) Either 'a' or 'b'
- d) Neither 'a' nor 'b'

5) In Old Tank Project, Bund Design Level or Formation Level Should be

- a) Below the Existing Bund
- b) Above the Existing Bund
- c) Same as the Existing Bund
- d) None of the above

6) PMGSY Project was inaugurated in,

- a) 2000
- b) 2002
- c) 2014
- d) 2003

7) Which of the following doesn't describe the use of hydrographic surveying?

- a) Nautical charts for navigation
- b) Establishing mean sea level
- c) Laying an Alignment
- d) Making underground investigations

8) Select the CORRECT Statement from following on Waste Weir

- a) Reservoirs are not used Waste Weir
- b) To Remove the surplus water
- c) Both are Correct
- d) None of the above

9) When total station is sighted to the target, which of the operation acts first?

- a) Rotation of optical axis
- b) Rotation of vertical axis
- c) Rotation of horizontal axis
- d) Rotation of line of collimation

10) In total station, data is stored in _____

- a) Pen drive
- b) Data card
- c) Microprocessor
- d) External hardware

Thank you for completing Quiz. Your responses will help us gauge your understanding and make any necessary adjustments to the training program.

TECHNICAL TALK ON “CYBER SECURITY FOR LIFE”

Slides of the resource person

Agenda

- What is cyber security/crimes/threats/attacks
- State of Cyber security/ Current Cyber threats
- Cost of Cyber security Attacks
- Topics of Interest:
 - Phishing Emails/Scams
 - Ransomware
 - Social Engineering
- Why Cyber awareness is so important?
 - How can I protect myself?
 - How can u help?

What is Cyber Security?

Cyber or Computer Security is the protection of computing systems and the data that these systems store or access.

These systems include:

- PC's
- Laptops
- Smartphone's
- Mobile Devices

What is Cyber Crimes? Threats? Attacks?

- Any Criminal Activity conducted using digital Technology.
- Act performed by individual with harmful intent.
- Any intentional effort to steal, expose, alter, disable, or destroy data.

Current state of Cyber security

- Phishing attacks are still number 1
- Ransomware attacks are on the rise
- Social Engineering is the leading attack vector for scams

Cost of Cyber security Attacks

- JBS Foods pays \$14m to ransomware attackers
- Walkoto DHB cyber attack: Medical files may have been taken
- NSW driver's licence data stolen in Accellion breach
- Colonial Pipeline paid \$5 million ransom one day after cyberattack, CEO tells Senate

Phishing Attacks

- Phishing emails e.g. COVID 19 vaccines
- Vishing e.g. Computer technician call to fix a virus on your machine
- Smishing e.g. ATO text messages to claim a tax refund

Phishing Examples

1. Subject line of email is vague and evokes urgency.
2. Email has been tagged as an external source confirming it is spoofed.
3. Email content is vague and uses fear as "bait" for the user to click/download on the attachment.
4. The UoM logo is placed before the senders signature.

TECHNICAL TALK ON "CYBER SECURITY FOR LIFE"

Phishing Examples

1. Spelling error in senders address

2. Email subject line is vague

3. Requesting financial and personal information

4. Link leading to an external website

5. Signature is missing, obscure

Phishing Examples

HSBC: Our security team has tried to contact you regarding your online account. Log in via the secure link <https://199.245.58.9> to reactivate.

Lyle: We have tried to contact you about your Internet Banking for further details. Visit the secure <https://199.245.58.9> link

Phishing Examples

1. Fake sender domain (not service@paypal-australia.com.au)

2. Suspicious Subject and content

3. Bad grammar

4. Hovering over link reveals suspicious URL

Ransomware

Type of malware that encrypts data specifically asking for payment in order to restore access.

How? Protect Yourself

- Email attachments
- Website downloads
- Email links
- Website links
- Regular backups
- Updates
- Verify emails
- Don't PAY!

Why is Cyber awareness so important?

- Everything is CONNECTED!
- Personal documents
- Identity
- Finances
- Digital footprint

How can I protect myself?

Passwords

- Long and strong. Passphrases
- Enable 2FA where possible
- Change default passwords
- Don't reuse passwords across accounts
- Use a Password manager (LastPass is FREE)

STRONG PASSWORDS.

Updates

- Ensure all devices are on their latest updates
- Turn on AUTOMATIC UPDATES
- Make time for updates
- Spring clean your apps regularly

TECHNICAL TALK ON “CYBER SECURITY FOR LIFE”

Be aware of Scams

1. Phishing – email
2. Vishing – phone call
3. Smishing – text messages

Look out for:

1. Urgency
2. Asking for personal/financial information
3. Unsolicited
4. Contain links and downloadable files
5. Bad grammar
6. Too good to be true

Search Yourself (Digital Footprint)

- Privacy controls
- Be mindful of what you share
- Review app privacy collection

Creating a Cyber secure home checklist

- Are my devices secure?
- Using VPN to access University systems?
- Beware of using FREE Wi-Fi
- Do I have anti virus installed?
- Am I backing up my important files? Cloud & Local
- Are my devices up to date?
- Enable two-factor authentication (2FA) where possible
- STOP. THINK BEFORE YOU CLICK.

How can you help?

Helpful Websites

- Scamwatch
- Stay Smart Online
- SANS Security Awareness Blog

Thank you!

Respected Sir,

Sub: Regarding conduction of one-day Technical Talk from ISTE student chapter.

With reference to the above cited subject as Mechanical. Engg, Department is conducting one-day Technical talk on "Advanced Materials on Engineering Applications" by Resource Person **Dr. Bharath K N Professor**, Dept. of Mechanical Engg. G.M.I.T. Davangere on **18/07/2024** for our Mechanical Engineering students. In this regard, I am requesting you to kindly sanction the below said amount from the ISTE fund for the successful conduction of the program.

Thanking you

Sl. No	Purpose	Amount
1	Remuneration	Rs.2000/-
2	TA & DA	Rs.1000/-
3	Tea & Biscuits	Rs 500/-
4	Total	Rs 3500/-

ENGLISH LANGUAGE LAB REPORT 2023-2024

DEPARTMENT OF ENGLISH

About Language Lab:

Language Lab to augment LSRW and GV skills (Listening, Speaking, Reading, Writing and Grammar, Vocabulary) through tests, activities, exercises etc., comprehensive web-based learning and assessment systems can be referred. A language Laboratory is available at Institute level with 20 users. The language lab software consists of the English module. Students who are weak in English communication skills – reading, writing and comprehension will be identified by the faculty teaching communication skills course and will be given assignment to work in language lab

The English Language Lab of S J M Institute of Technology helps to enhance the communication skills of students by improving their listening and speaking skills through the help of Audio-Visual lessons and E-modules. The Language Lab sessions aim at developing the personality skills of the students, especially of those who hail from the rural background and of those who are first generation learners, by helping them gain confidence in becoming better users of English.

Aim

- To initiate the I year Undergraduate students into the process of acquiring the skills for communicating in English

Objectives

The course will enable the students,

- To implement English vocabulary at command and ensure language Proficiency
- To achieve better technical writing and Presentation skills
- Identify the common errors in speaking and writing English
- Acquire Employment and Workplace communication skills

Facilities

- Laptops
- Interactive video lessons
- Graded audio lessons
- CDs and DVDs on communication practice
- Books on LSRW skills
- Dictionaries

Skill Components

- Listening skills
- Comprehension skills
- Interactive skills
- Personality skills
- Telephone etiquette
- Interview skills

Activities

- Self-introduction
- Speech Practice
- Pronunciation Practice
- Responding to Situations
- Group discussion

Learning Outcomes:

On completion of the course, students will be able to,

CO 1: Identify common errors in spoken and written communication

CO 2: Get familiarized with English vocabulary and language proficiency

CO 3: Improve nature and style of sensible writing and acquire employment and Workplace communication skills

CO 4: Improve their Technical Communication Skills through Technical Reading and Writing practices

CO 5: Perform well in campus recruitment, engineering and all other general Competitive examinations

Description of Software Installed

1. TOEFL iBT Speaking Conqueror

This software again allows the students to clear the TOEFLS. It has the UI which allows the students to select the different question paper format to improve their speaking ability and also gives the preparation time once students prepared they can switch to test mode. The times are fully customizable the students can change the timings based on their schedule.

2. TOEFL iBT Listening Conqueror

This software again allows the students to clear the TOEFLS. It has the UI which allows the students to select the different question paper format to improve their listening ability and also gives the preparation time once students prepared they can switch to test mode. The times are fully customizable the students can change the timings based on their schedule.

3. TOEFL iBT writing Conqueror

This software again allows the students to clear the TOEFLS. It has the UI which allows the students to select the different question paper format to improve their writing ability and also gives the preparation time once students prepared they can switch to test mode. The times are fully customizable the students can change the timings based on their schedule.

4. English Today life

English Today Life is a free program that allows you to improve your English pronunciation, reading and listening skills. You can practice your grammar and take language tests to identify your level. It comes with a variety of exercises that can enhance your language speaking and pronunciation abilities.

A language laboratory is a dedicated space for foreign language learning where students access audio or audio-visual materials. They allow a teacher to listen to and manage student audio, which is delivered to individual students through headsets or in isolated 'sound booths.' Language labs were common in schools. They have now largely been replaced by self-access language learning centres, which may be called 'language labs
