Topic: Session on “Entrepreneurship and Innovation as Career Opportunity”

Theme: Entrepreneurship and Innovation

Objectives of the Event:

1. To reveal the close relationship between innovation and successful entrepreneurship.
2. To outline the essential skills required for a successful career in entrepreneurship, including creativity, adaptability, resilience, and effective leadership.
3. To acknowledge common challenges faced by entrepreneurs, such as financial constraints and market competition.
4. To inspire participants to enhance their careers in entrepreneurship and innovation embrace as a viable and rewarding career path.

Speaker: Mr. Shivaraj V. S., Product Application Manager, Abeyaantrix Soft lab, OPC Pvt Ltd, Bangalore

Speaker Profile:

Mr. Shivaraj V. S., Product Application Manager, Abeyaantrix Soft lab, OPC Pvt Ltd, Bangalore. Worked as Embedded trainer/Robotic Engineer at Space Development Nexus, Delhi. Worked as Embedded trainer/Renewable Energy Engineer in Lucknow Innovation lab, Lucknow. Working as Product Application Manager at Abeyaantrix Softlab OPC Pvt. Ltd., Davanagere from August 2018 to till date.

Training delivery to various Corporates as well as in-house training delivery to students on various platforms such as Solar Photovoltaic, MATLAB/SIMULINK, Electrical circuit Simulation, Robotics, PLC, VFD, HMI, Embedded system, Renewable energy Sources, Rain Water harvesting etc. Conducted Workshops and SDP's at various Indian Engineering Colleges. A team player with good communication skills, Quick Learning ability, Adaptability to change, hardworking and self-motivated.

Delivered training and workshops to engineering colleges and Corporates in India which includes colleges like JIT Davanagere, UBDT, BIET Davanagere, STJIT Ranebennur, SJMIT Chitradurga, Govt Engineering college, SIT Tumkur, HMSIT Tumkur, HSIT Belagum and corporates like Sparx Crew Technologies U.P, TechEx Engineers Lucknow, SDNx Delhi. Algorithm and projects development based on MATLAB/SIMULINK. Conducted Special training programs on Electrical Circuit Simulation using MATLAB/SIMULINK, Simscape electrical library and SimPower Systems. Technical notes preparation on Renewable Energy, MATLAB, PLC, Arduino. Software Languages :C, Embedded C, MATLAB, Ladder Programming Software Tools : MATLAB/SIMULINK, Arduino IDE, fusion 360, ISPSOFT Hardware Tools : Microcontrollers: ATMEGA, ARM, Delta PLC. Documentation :MS-Office, MS-word, PowerPoint.

Brief Report of the Event:

Introduction:

The webinar on “**Entrepreneurship and Innovation as Career Opportunity**“ was organized by Entrepreneurship Development Cell in association with Institution’s Innovation Council (IIC), and IQAC. The webinar commenced with an overview of the importance of entrepreneurship and innovation in the contemporary professional world. Speakers highlighted the critical role of individuals who can drive change, create value, and contribute to economic and societal development through entrepreneurial endeavors. The event attracted a diverse audience of engineering students and Faculties.

Highlights of the Session:

On 29th November 2023, the session commenced with a warm welcome by the by Dr. Manjunatha S C, ED Cell Coordinator, followed by an inaugural address by Dr. Bharath P B Principal SJMIT, Chitradurga. The importance of entrepreneurship in the engineering field was emphasized. The event lasted from 11:00 a.m. to 1:00 p.m., where students and faculty actively participated.

Guest of Honor, Mr. Shivaraj V. S., Product Application Manager, Abeyaantrix Soft lab, OPC Pvt Ltd, Bangalore. Principal - Dr. Bharath P B, Dr. Krishna Reddy K R, IIC Convener and Dr. Jagannath N, IQAC Coordinator, were present in the online session.

Later, the session was taken over by the eminent resource person, Mr. Shivaraj V. S., to deliver his speech on “Entrepreneurship and Innovation as Career Opportunity“.

The speaker emphasized that innovation is a key driver of entrepreneurship, emphasizing the need for creative thinking and problem-solving skills. He discussed how innovative ideas are the foundation of successful entrepreneurial ventures. The webinar underscored the essential skills and mindset required for a career in entrepreneurship, including adaptability, resilience, and a willingness to take calculated risks. He also discussed the value of mentorship programs and startup incubators in nurturing entrepreneurial talent. The speaker addressed the financial challenges often associated with entrepreneurship and the competitive nature of markets.

The webinar ended with an interactive Q&A session where participants had the opportunity to engage with the speaker and Dr. Manjunatha S C ED Cell coordinator concluded the program by delivering a vote of thanks. About 55 students and faculty registered and successfully attended the event.

Conclusion:

The session on **“Entrepreneurship and Innovation as Career Opportunity“** was a resounding success. It offered valuable insights into the dynamic and evolving landscape of entrepreneurship, focusing on the symbiotic relationship between innovation and career development. The event featured expert speakers who shared their experiences, knowledge, and advice, offering a comprehensive view of the opportunities and challenges in pursuing a career in entrepreneurship and innovation.

Participants were encouraged to leverage their unique skills, foster a mindset of continuous learning, and actively seek out resources and support networks to embark on a successful entrepreneurial journey. The organizers extend their gratitude to all the speakers, mentors, and participants for making this event a meaningful and enlightening experience.

Inaugural Address by Dr. Bharath P B, Principal, SJMIT

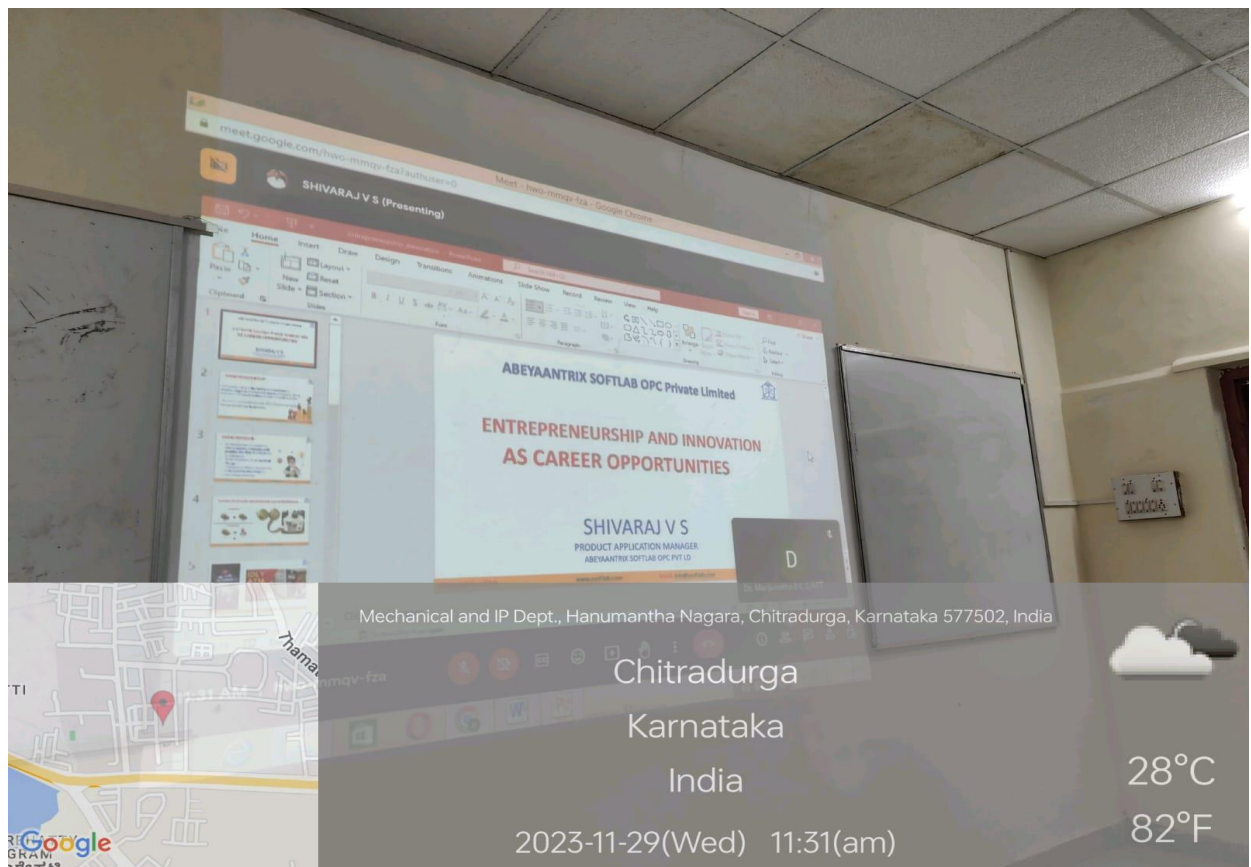

Participants at the Webinar both Faculties & Students

Presence of IQAC Coordinator, IIC Coordinator, EDC Coordinator & Principal

Webinar Session at Mechanical Dept. Seminar hall

Key Outcome:

1. Participants gained an understanding of the role of entrepreneurship and innovation in shaping careers.
2. Participants understanding the critical skills and mindset required for success in entrepreneurship and innovation.
3. Participants became aware of the diverse educational and training resources available to support aspiring entrepreneurs.
4. Participants gained valuable insights into strategies for overcoming the challenges, including securing funding and conducting market research.

These outcomes of the session on “Entrepreneurship and Innovation as Career Opportunity“ were instrumental in equipping participants with the knowledge, inspiration, and resources needed to embark on a successful entrepreneurial journey.

Topic: Pre Employment Training Program

Theme: Providing Practical knowledge in the field of Construction

Objectives of the Event:

1. To prepare the students to understand the practical information in the field of construction.
2. To prepare students to meet the varying and challenging needs of the job and organization.
3. To provide knowledge and skills to new entrants and to help them to perform their role and job well and To coach employees for more complex and higher level jobs.
4. To create a platform for networking and collaboration among participants, mentors, and successful startup founders.

Training Program Guide: Shri.Ganapathi . M.Mumbare

Guide Profile:

Shri. Ganapathi.M.Mumbare has obtained BE degrees in Civil Engineering. He is the working as Territorial Technical Service Manager Ultra Tech Cement Ltd. Chitradurga- Davanagere Division.

Brief Report of the Event:

Introduction

The Program on “ Pre Employment training program” was organized by the Department of Civil Engineering, in association Innovation cell in association with Institution’s Innovation Council (IIC), and IQAC and Ultra Tech Cement ltd, with the primary aim of enlightening civil engineering students about the critical process of validating innovations and turning them into successful engineers. This program emphasizes the significant role each one of student plays in to inspire individuals to make conscious changes in their lifestyles.

In pre-employment training programs, we asked the students to involve for two days in the construction activities of various residential and commercial building construction in the city of Chitradurga. The student to explore the good and bad practices of construction activities and connect people to jobs with contractors, skilled and unskilled labours, client , owners, dealers of various construction product.

Highlights of the Program:

On 12th October 2023, the program commenced with a warm welcome by the by Dr.Srishaila.J.M ,Professor and HOD, Department of Civil Engineering, SJMIT, Chitradurga. Training Program guide Shri.Ganapathi . M.Mumbare Territorial Technical Service Manager. UltraTech Cement Ltd Principal - Dr.Bharath P B, Coordinator of the program Prof.Subramanya.P G and all the faculty of Civil Engineering and final year students. were present in the session.

Later, the session was taken over by the pre-employment Training, guide to deliver his speech on “Good and bad practice construction ” and Do and Don’t during the training program

Conclusion:

The Program ended with presentation on Good and bad practice construction ” students were inspired, informed, and equipped with the knowledge and resources needed for successful s civil Engineers.

The organizers extend their gratitude to all the speakers, mentors, and participants for making this event a meaningful and enlightening experience. S J M Institute of Technology remains committed to organizing more such events in the future and to providing continuous support and resources to help individuals transform their innovative ideas into successful startups

Theme: Cultivating Entrepreneurial Excellence: Nurturing Skills for Startup success.

Objectives of the Event:

1. To inspire and motivate students to explore entrepreneurship as a viable career option
2. To provide insights into entrepreneurial skill development.
3. To provide students with insights into current industry trends and market demands.
4. To instill an entrepreneurial mindset among students.
5. To create awareness about the support systems available for aspiring entrepreneurs

Speaker: Sri.Yogeswarappa B ,District Program Manager , NRLM, Zillapanchayath , Chitradurga.

Speaker Profile:

Yogeswarappa B has MA in Sociology & Post Graduation Diploma in Human Resource Management (PGDHRM). He is the District Program Manager in NRLM Zilla Panchayath, Chitradurga.

Brief Report of the Event:

Introduction:

The Civil Engineering Department hosted an insightful “*Expert Talk on Entrepreneurial Skill Development and Startup*” in association with Institution’s Innovation Council (IIC), and IQAC, with the primary aim of providing participants with valuable insights into the world of entrepreneurship, fostering a spirit of innovation and encouraging the development of essential skills required for startup success. The event attracted a diverse audience of engineering students and Faculties.

Highlights of the Session:

On 22nd November 2023, the session commenced with a warm welcome by the by Prof. Anusha V , Faculty member, IIC, followed by an inaugural address by the Innovation cell Coordinator Prof. Shankar G S. The importance of fostering innovation and entrepreneurship in the engineering field was emphasized. The event lasted from 11:00 a.m. to 1:15 p.m., where students and faculty actively participated.

Guest of Honour, Mr. Yogeswarappa B, District Program Manger in NRLM Zilla Panchayath, Chitradurga, Principal - Dr.Bharath P B., Dr. Srishaila J M , Prof.& Head, Department of Civil Engineering, Dr. Krishna Reddy, IIC Convener were present in the session. Later, the session was taken over by the eminent resource person and Chief Guest of the event, Mr. Yogeswarappa B, to deliver his speech on “Entrepreneurial Skill Development and Startup”.

A distinguished speaker Sri Yogeswarappa B, brought a wealth of experience and knowledge to share with the aspiring engineers and future entrepreneurs in the audience. The speaker emphasized the need for a resilient mindset and a passion for creating positive change through innovative ideas. He highlights the role of educational institutions in fostering an environment that nurtures creativity and risk-taking.

The session explored methods for identifying opportunities in the market and the importance of staying abreast of technological advancements. And he shared strategies for recognizing gaps in the market and converting challenges into business opportunities.

The speaker highlighted that a graduates equipped with Entrepreneurial diverse skill set, such as effective communication, creativity, problem-solving, risk-taking abilities and adaptability, to navigate the challenges of the modern business environment, contributing to the growth of startups and fostering innovation. Further he presented relevant case studies of successful startups, illustrating the various paths to success and the lessons learned from failures. These real-world examples provided valuable insights into the complexities of entrepreneurship and strategies for overcoming obstacles.

The presentation ended with a questions and answers session with the attendees and Prof.Shankar G S, Faculty member, IIC, concluded the program by delivering a vote of thanks. About 68 students and faculty successfully attended the event.

Conclusion:

The session on “Expert Talk on Entrepreneurial Skill Development and Startup” was a great success. It served as a catalyst for inspiring and educating participants about the exciting world of entrepreneurship. The event successfully conveyed the importance of fostering an entrepreneurial mindset, acquiring essential skills, and navigating the challenges inherent in startup ventures. It is hoped that the knowledge gained from this session will empower participants to pursue their entrepreneurial aspiration to contribute not only to their personal growth but also to the overall economic development of the nation. Continuous efforts in refining and expanding these initiatives will undoubtedly nurture the spirit of innovation and entrepreneurship among engineering students and faculties.

The organizers extend their gratitude to the speaker, organizers, and participants for making this event a meaningful and enlightening experience.

Organizing a Session on
"Expert Talk on Entrepreneurial Skill Development and Startup"

Date: 22-11-2023 Venue: Sir. M.V. Seminar Hall Time: 11.00AM

Resource Person
Sri. Yogeswarappa B
 District Program Manager - H.N.M.,
 Zilla panchayath, Chitradurga.

Prof. Shankar G S Dr. Sribhilla J M Dr. Bharath P B
 Internship Activity Coordinator Professor & HOD Principal

Key Outcome:

1. Motivates the students to choose entrepreneurship as a viable career option
2. Participants understanding the critical role of entrepreneurial skills in the rapidly changing business landscape.
3. Attendees learned the significance of government support in creating a conducive environment for startups.
4. The session sparked a keen interest in entrepreneurship among engineering students and faculties.

These outcomes of the session on “Expert Talk on Entrepreneurial Skill Development and Startup encompassing curriculum refinement, mentorship, ecosystem creation, industry collaboration, and a commitment to lifelong learning.
