Employer feedback form

Dear Employer,

Firstly, we are thankful to you for offering employment to our graduate and postgraduate students in your esteemed organization. Many students of our institute are already working with you. We shall appreciate you if you can spend a couple of minutes to fill up this feedback form on "Student Performance and curriculum" and give us your valuable suggestions for further improvements to our institute curriculum and to provide better employees in future.

Name of the Employer	Nagaveni D.N
Concerned person's name	
Designation	Bengaluru
Official Email id	nagaveni.D.N.

I. Please give feedback in Yes or No

1. Are the subjects in the curriculum relevant with reference to the industry?

Yes No

2. Is industrial visit beneficial?

Yes No

3. Are technical events like Quiz, design of project model etc beneficial?

Yes No

II. Please give your feedback on student performance and curriculum.

✓ Please use the following criteria for giving feedback: 5- Excellent, 4- Very Good, 3- Good, 2- Satisfactory, 1- Average. Please tick (✓) the response.

Sr. No.	Details	Excellent	Very Good	Good	Satisfactory	Average
1	Planning and Organizational skills		✓			
2	Participation in social activities		✓			
3	Creative in response to workshop challenges		✓			
4	Level of industrial training done during the degree / course		✓			
5	Willingness to take responsibility		✓			
Any other suggestions / comments

Department of Civil Engineering

Feedback analysis summary of different stakeholders

(2023-2024)

I. Students Feedback

Key findings

- Maintenance of cleanliness in classrooms is required.
- Upgrade of student amenities and infrastructure.

II. Teachers Feedback

Key findings

- Promote and encourage research activities among faculty members to enhance academic excellence.
- Encourage financial assistance for publication of papers.

III. Alumni Feedback

Key findings

- Add more campus drives for civil engineering students.
- Suggestions for enhancing networking and mentorship programs for current students.

HOD

Head of the Dept
Dept of Civil Engg
S J M I T Chitradurga

SJM Institute of Technology, Chitradurga.

Department of Computer Science & Engineering

Feedback analysis summary of different stakeholders

I. Students Feedback

Key findings

- Adequate cleaning and maintenance of common areas in hotels is required

II. Teachers Feedback

Key findings

- Industrial visit needed for students
- Promote and encourage research activities among faculty members to enhance academic excellence

III. Alumni Feedback

Key findings

- Suggestions for enhancing networking and mentorship programs for current students

HOD

SJM Institute of technology, Chitradurga.

Department of Electronics and Communication Engineering

Feedback analysis summary of different stakeholders

2023-24

I. Students Feedback

Key findings

- Adequate cleaning and maintenance of classrooms and furniture is required.
- Hygiene canteen services are required.

II. Teachers Feedback

Key findings

- Requests for professional development opportunities to enhance teaching methods.
- Promote and encourage research activities among faculty members to enhance academic excellence.

III. Employers Feedback

Key findings

- Level of Industrial Training to be improved.
- Emphasis on the importance of soft skills and practical experience.

IV. Alumni Feedback

Key findings

- Add more application level interaction sessions and more campus drives.
- Suggestions for enhancing mentorship programs for current students.

Head of the Dept,
Electronics & Commn. Engg,

Action Taken Report on Feedback

Action Taken Report on feedback received from the various stakeholders of the institution Student Feedback in the year 2023-24.

Stakeholders of the Institution

1. Students
2. Teachers
3. Alumni

We highly value the feedback provided by all the stakeholders as it plays a crucial role in improving the overall quality of education and campus experience. The purpose of this report is to outline the actions taken in response to the feedback received from the stakeholders during academic year 2023-24.

Action taken on Student Feedback:

Key Findings:

The feedback received from students covered various aspects, including but not limited to:

1. Concerns regarding Adequacy of classroom and furniture
2. Concerns regarding the maintenance of hostel facilities
3. Concerns regarding Bank ATM facilities in the campus

Actions Taken:

1. Concerns Regarding Adequacy of Classroom and Furniture:

- Conducted a thorough assessment of classroom capacities and furniture conditions
- Initiated immediate repairs and replacements for damaged furniture
- Established a regular maintenance schedule to address wear and tear promptly
- Reorganized classroom layouts to optimize space utilization

2. Concerns Regarding the Maintenance of Hostel Facilities:

- Formed a committee to address hostel maintenance issues promptly
- Initiated repairs for plumbing, electrical, and structural issues
- Enhanced security measures and improved lighting in common areas
- Instituted regular inspections to ensure ongoing maintenance standards

3. Concerns Regarding Bank ATM Facilities in the Campus:

- Coordinated with local banks to address ATM maintenance and service issues

Conclusion:

We value the input provided by our students and are committed to ensuring a conducive and comfortable learning environment. The actions taken and ongoing initiatives reflect our dedication to addressing concerns promptly and enhancing overall campus facilities

Action taken report on Teachers Feedback:

Key Findings:

1. Industrial visit needed for students
2. Promote and encourage research activities among faculty members to enhance academic excellence
3. Upgrading of student amenities and infrastructure

Actions Taken:

1. Industrial visit needed for students
 - Scheduled regular industrial visits for students across various disciplines
 - Coordinated with faculty members to align industrial visits with relevant curriculum topics
2. **Promote and encourage research activities among faculty members to enhance academic excellence**
 - Organized workshops and seminars on research methodologies and grant writing
 - Established research funding opportunities and incentives to encourage faculty participation.
 - Provided access to relevant research resources, databases, and academic journals
 - Recognized and rewarded faculty members for their research contributions and publications
3. **Upgrading of Student Amenities and Infrastructure**
 - Enhanced campus security measures and lighting for student safety
 - Prioritized areas for improvement based on feedback and critical needs
 - Initiated renovation and upgrade projects for common areas, recreational facilities, and study spaces

Conclusion:

We value the feedback provided by our faculty members and are committed to addressing their concerns and promoting academic excellence. The actions taken and ongoing initiatives reflect our dedication to enhancing the teaching and learning environment for both students and faculty

Action Taken Report on Alumni Feedback

Key Findings:

1. Add more application level interaction sessions and more campus drives
2. Implement more number of courses relevance to industry and societal needs

Actions Taken:

1. Add more application level interaction sessions and more campus drives

- Collaborated with industry partners to organize additional application-level interaction sessions
- Conducted workshops, seminars, and webinars focused on practical applications of academic concepts
- Enhanced collaboration with alumni to facilitate guest lectures and mentorship programs
- Increased the frequency of campus drives by inviting a diverse range of companies

Ongoing Initiatives:

- Expanding the network of recruiters for campus placements

2. Implement More Number of Courses Relevant to Industry and Societal Needs

- Conducted a comprehensive review of the existing course offerings to identify gaps

Conclusion:

We appreciate the feedback provided by our alumni, and their insights are crucial in shaping the future of our institution. The actions taken and ongoing initiatives reflect our commitment to providing relevant, industry-focused education and fostering meaningful interactions between students and professionals.
