Details about Event:

Event: "From Campus to Career: Riding the AI wave"

Date of event: 20th August, 2025

Time of event: 10:30 AM

Venue: Sir M V Hall, Civil Department

Event Description:

The event "From Campus to Career: Riding the AI Wave" was scheduled on August 20th 2025, at 10:30 AM in the Sir M V Seminar Hall at S J M Institute of Technology. This event is organized by the IETE Student's Forum (ISF) in collaboration with the departments of Electrical and Electronics Engineering (EEE), Electronics and Communication Engineering (ECE) and Computer Science & Engineering (CSE).

The event aims to guide students in their transition from campus life to a successful career, with a specific focus on the rapidly evolving field of Artificial Intelligence (AI). By exploring the theme of "Riding the AI Wave" participants will gain insights into the latest trends, opportunities, and challenges in the AI industry.

Dr. Chethan K R, Professor and Head of the Department of AI&ML at JNNCE, Shimoga, Chief Guest for the event. His expertise and experience in the field of AI will provide valuable perspectives to the students. Dr. Chethan's presence will undoubtedly enhance the learning experience for the attendees.

The event will provide a platform for students to learn from industry experts, network with peers, and gain a deeper understanding of the AI landscape. This will help them navigate their career paths more effectively and make the most of the opportunities available in the field of AI.

Dr. Bharath PB ,Principal, SJMIT addressed the gathering and told that, In today's world, Artificial Intelligence (AI) is transforming education, industries, and careers at an extraordinary pace. For students, the journey from campus to career is not limited to academic achievements alone; rather, it also requires the ability to adapt to new technologies. Riding the AI wave means acquiring the right skills, embracing innovation, and preparing to thrive in a future where humans and machines work together in harmony.

One of the key objectives of the event is to bridge the gap between academia and industry. By inviting experts from the industry, the event aims to provide students with a realistic understanding of the requirements and expectations of the job market.

Overall, the event "From Campus to Career: Riding the AI Wave" promises to be a valuable experience for students, providing them with the knowledge, skills, and connections they need to succeed in the AI industry and achieve their career goals.
